Company & About Us

Established in 2016, YES BRAND is a 100% export-oriented garments accessories manufacturer and supplier.

Specializing in buttons, zippers, ribbons, labels, and more, we offer high-quality, innovative solutions to enhance garments across industries.

Our goal is simple: to deliver high-quality products that meet global standards and surpass our customers' expectations.

With a commitment to transparency and integrity, we foster strong relationships with our clients, built on trust, reliability, and open communication.

We focuses on:

- **Commitment:** we value our commitments for on time delivery, quality and sustainability.
- **Efficiency:** we set high efficiency standard to run our core functions to excel.
- **Quality:** people forget how fast you did a job. But they remember how well you did it.
- **Compliance:** we test our social & technical compliance rigorously & routinely for accountability & transparency.
- **Delivery:** better three hours too soon, than a minute too late.
- **Pricing:** best creation in affordable prices.

Managing Director's Message

MERAJ AHMED (JONY)

Managing Director

I'm excited to share the journey of YES BRAND Label & Accessories with you. We're an independent garment accessories manufacturing company, established in 2016 at DOSH Baridhara, Dhaka.

I firmly believe that technology is going to revolutionize our industry in many ways. The digital supply chain, enabling fast fashion, is just the beginning. We've equipped each of our production wings and quality-testing labs with the latest modern machinery to ensure top-notch products and support for our valued vendors.

Accessories and trims will continue to evolve with newer materials, designs, and construction methods, delivering superior functional performance while meeting the aesthetic preferences of consumers. Moreover, the growing trend towards environmental sustainability will also impact the accessories and trims industry in Bangladesh.

We're proud to have an industry-leading portfolio of brands spanning all price points, from bridge-to-luxury brands like GAUDI, JACKBERG. BOSTON LEGEND, celio*, SIR, LIU-JO, BLUEACE, RINA, Terranova, SKY T-SHIRT and many more.

I'm confident that our teamwork, dedication to quality, support, and ambitious journey will establish Yes Brand Label & Accessories. as the most trusted name in the Bangladesh Apparel & Accessories Market.

Speech of **Director**

Ezazul Haque (Danish)

Director

As Director of YES BRAND Label & Accessories, I am proud to lead a team dedicated to excellence in quality, production, and workplace practices. Our relentless pursuit of innovative solutions fosters an environment that champions eco-friendly products, unmatched quality, and heightened productivity. Through strategic investments in infrastructure, cutting-edge technology, and the continual development of our human resources, we ensure our capabilities evolve in sync with the dynamic needs of our industry.

Our seasoned and committed management team, alongside our skilled workforce, forms the backbone of our organization. Together, we are steadfast in our pursuit of a common goal: to not only identify but exceed the expectations of our valued customers. With professionalism and diligence, we offer unparalleled support to meet the ever-growing demands for quality from our esteemed clients.

At YES BRAND Label & Accessories, innovation is more than a buzzword; it's ingrained in our culture. It propels us to push boundaries and explore new avenues in product development and process enhancement, ensuring we remain at the forefront of our industry.

With this unwavering dedication to excellence, I am confident that YES BRAND Label & Accessories will continue to thrive as the most trusted name in the Bangladesh Apparel & Accessories Market.

Speech of **Executive Director**

Md. Monjil Hasan Sourave

Executive Director

Our unwavering commitment to technological innovation is key to our success. Embracing the digital supply chain and the fast fashion movement, we have equipped our production wings and quality-testing labs with the latest modern machinery. This ensures we consistently deliver high-quality products and exceptional support to our esteemed vendors.

The landscape of accessories and trims is constantly evolving, driven by advances in materials, designs, and construction methods. These innovations not only enhance functional performance but also cater to the evolving aesthetic preferences of consumers. Additionally, the growing emphasis on environmental sustainability will significantly shape the future of our industry in Bangladesh.

To stay ahead in this dynamic environment, we are proactively investing in research and development, fostering collaborations with industry leaders, and integrating sustainable practices throughout our operations.
